Verse 1:

Before the splash of any dawn and long before the sea
When light was not yet bursting to be free
You created thought about how splendor would be born
And gathered up the mix of life to be
Before the universe of thought, before the ways of man
When life was just as clay upon the wheel
When waves came crashing down and
formed the rocks of fragile life
When land was formed and brought forth grain and
blossoms from the trees you said

Ch:

I Am! I Am and always will be
And do proclaim that I forever
Will hold you close to me
I Am! I Am and promise to you
We'll always be together
Because I live in you

Before Abraham was I Am!

Verse 2:

Long before the notion of the sea of endless time
The cradle of Your mind gave birth to stars
You tacked them to the whiteboard called
the universal frame
And those rocks and stones cried, "Holy is His Name!"
The Alpha and Omega, separate from created things
Created perfect order for my way
The rock of my foundation and the purpose for my life
You turned the darkness into dawn,
revealed to me Your light and said

Ch:

I Am! I Am and always will be
And do proclaim that I forever
Will hold you close to me
I Am! I Am and promise to you
We'll always be together
Because I live in you
Before Abraham was I Am!

Bridge:

(Holy, holy, holy, Lord God Almighty)
Jesus, Jesus

(Early in the morning my song shall rise to Thee!)

Emmanuel, my God with me

(Holy, holy, holy, merciful and mighty)

Jesus, Jesus

(God in three persons blessed Trinity)

The Bread of Life is all I need, He's all I need!

Ch

I Am! I Am and always will be
And do proclaim that I forever
Will hold you close to me
I Am! I Am and promise to you
We'll always be together
Because I live in you

I Am! I Am and always will be
And do proclaim that I forever
Will hold you close to me
I Am! I Am and promise to you
We'll always be together
Because I live in you
Before Abraham was

I Am! I Am and always will be
And do proclaim that I forever
Will hold you close to me
