

The Glory of Your Name

Song Devotional Summary

By Stephen Robert Cass

There is power in the name of Jesus.

There is power in the name of Jesus! It offers us healing and a sense of peace *only He can give*. The power of the name of Jesus leads the way to help us in our spiritual and physical walks. How it fills my heart with joy and ideas about how I will conduct my life.

The power comes from who we know Him to be when we say His name. We breathe in the sweetness that He brings and exhale the gratitude we have that He came to make us whole. Our souls cry out to Him as we feel the surge of healing when He touches our longing hearts and acknowledge the authority He has in heaven and over our lives.

I stand with my arms wide and exclaim about the glory in my presence. I celebrated that moment when I was baptized as an adult. I see and feel that every time I am at a baptism celebration in my church.

*Each moment as the Spirit brings
new life in me my heart will sing
the glory of Your name*

How often have we heard about the power in the name throughout songs and sermons?

There is power in incorporating the name of Jesus because He has given me the full-time gift of the helper, the Holy Spirit, to guide me through this life and to help me pray.

The combination of the love of God through Jesus and the full-time help of the Holy Spirit has changed my life.

And it will change your life and give you hope, hope you never thought you'd see again.

Prayer

Heavenly Father, how great is Your name. May Your kingdom come to earth. Lord Jesus, give me wisdom. May the power in Your name heal my walk through this life. Thank you for the full-time gift of the Holy Spirit to help pray and seek Your guidance. Thank you for the victory over sin and death so I can live my life to the full.
