

When I Close My Eyes

Song Devotional Summary

By Stephen Robert Cass

A Prayer to Keep Me Sane.

Jesus, your face is in my mind
Blazing like a sunset-colored sky
Come change my life, Your presence now
When I close my eyes

This song is a prayer to experience life to the full. My heart is on fire for my time with Him. I want to keep the face of Jesus in my mind so I feel and see the blazing heat and light that is associated with my prayer.

I pray that I keep my life on the path of delivering mercy, love, and justice to every person I interact with today.

This song is a prayer to set me free from doubts that lead me down the path of selfish ambition. It's not that my ambitions are wrong or aren't important, it's that I want my ambitions to conform to my usefulness in this life and the path that God has set before me.

Let the world fade, Lord, speak Your truth ... this is a time to let down my guard, trust in Him, tell Him of my anxieties, and listen for His words.

Jesus, come change my life with your presence, the presence of the Holy Spirit.

Let the Holy Spirit move your heart to heal every aspect of your life and help to make you whole.

Enjoy my song, *When I Close My Eyes*. I pray it helps to keep you sane and on track with God.

Prayer

Heavenly Father, how great is Your name. May Your kingdom come to earth. Lord Jesus, give me wisdom. Thank you for the full-time gift of the Holy Spirit to help pray and seek Your guidance. Thank you for the victory over sin and death so I can live my life to the full.
